### Club Policy

- The Club recognises the need to provide a safe and caring environment for children and young people. The Club acknowledges that young people have the right to be treated with respect and for their concerns to be listened to and acted upon.
- The Club has therefore adopted the procedures set out in the ECB document *SAFE HANDS - Welfare of Young People in Cricket Policy*.
- The Club has policies and guidelines to ensure the safety and welfare of children and young people.
- The club will ensure that junior members have specific programmes and facilities designated for them, with adequate supervision.
- The club will ensure that any members or volunteers working or playing with young people are aware of and apply the Clubs' code of conduct for those working with children in cricket and have completed and signed the self declaration form relating to child protection or have undergone a full check by the Criminal Records Bureau.
- The Club is committed to ongoing child protection training for all coaches.
- The Club has appointed a Child Welfare Officer who has undertaken training approved by the ECB and is specifically responsible for young people.
