Introduction

Welcome to the 2026/27 Chadlington FC Junior Football Handbook. The purpose of this handbook is to outline the various requirements of managers, coaches and team secretaries / administrators.

There is always a fine balance of setting out these requirements without causing a burden on the enjoyment of the game. The purpose of this document is to set out what is required and when in order to assist you. There are many things to remember, and you will not always get it right. We have spent over a decade building up the junior football set up and many aspects come from lessons learned over the years. If you have suggestions for improvements, please let us know. If in doubt over any requirement, please do not hesitate to ask questions.

1. The Club

Chadlington Football Club has been in existence for over 100 years and although the date of the first football games played has been lost to time it was thought to be in or around 1920.

In this 100+ year history, the club has become one of the main constants of village life, it has provided sporting opportunities to the community, a social setting and a source of local pride.

It has hosted both adult and junior teams throughout this 100+ year history and today, Chadlington FC is one of the most successful local football set ups in the area boasting 2 adult teams and 13 junior teams with a complete player pathway from U6 (minis) to adult football.

2. The Grounds

Chadlington FC are based at the Sports Club accessed off Chapel Road within the village of Chadlington. The grounds consist of three playing areas:

1. The cricket outfield. This was the original sports club ground established in the mid 1800's. It hosted both football and cricket and is centered by the cricket square.
2. The Main Pitch. This is an extension to the original grounds and was laid out in 1950.
3. The Centenary Pitch. This is the latest addition to the playing surfaces and was converted from an agricultural field into 2 football pitches in 2012 opened by the then Prime Minister, David Cameron.

3. The Facilities

The club has 3 areas of facilities:

1. The Dressing Rooms – Home and away dressing rooms, showers, a referee's room, and an outside WC.
2. The Club House – Bar, kitchen, male and female toilets, function room, games room
3. The Stores –Adult football store, Junior football store, Maintenance store, Tractor Shed, containers

Chadlington Junior Football is overseen by the Junior Football Subcommittee and reports into the Chadlington Sports Club Committee.

Typical meeting dates:

- ## 6. Rules & Guidance

1. Chadlington Sports Club Junior Football Handbook (this document).
2. FA Rules and Regulations for playing football at all age groups. Pitch size, equipment, rules etc.
3. OFA Rules and Regulations – outlines the rules for any Oxfordshire competitions .
4. Witney & District or Oxford Youth League – league rules including fixtures, referees, result reporting (includes fines for various things)

3

7. The Roles

Junior Football Chairman – Matt Dangerfield

The figurehead for the Junior Football Club is responsible for organising and chairing the Junior Football meetings. The Chairman shall attend the Sports Club Committee meetings.

Welfare Officer – Matt Dangerfield

Responsible for the welfare aspect of Junior Football and be the point of contact for all welfare and safeguarding matters. This person shall be suitable trained and registered with the OFA.

Club Secretary – Greg Kemp

This person is the named contact with the Oxfordshire Football Association and shall coordinate affiliation, league entry and discipline matters including fines. They shall also ensure that team managers and secretary details are entered into the FA Club Portal.

Club Treasurer – Kevin Mulhearn

The Club Treasurer shall set membership fees and coordinate with the Registrations Secretary and Team Managers to ensure that such fees are paid.

This person is the point of contact for all expenditure approval including equipment purchases and cost reimbursement.

Junior Football Registrations / Fixture Secretary – Liam Flynn

This person is the named contact with the League administrators (Oxford Youth or Witney & District Youth Football League).

They co-ordinate fixtures, parking, player registration, and league admin.

The secretary will add the Team Managers to:

- The Chadlington Junior Managers WhatsApp group
- The Witney WhatsApp group which has most of the key contacts for the league
- The Spond Administrator list

Junior Football Team Manager and/or Coach - Various

By committing to becoming a Chadlington Junior Football Coach or Secretary you are volunteering for the following:

- To be a leader & mentor of young people during football activities.
- Provide a safe, enjoyable environment to participate, enjoy and progress player development
- Being an ambassador and representing Chadlington Football Club
- Follow the Club, League and FA rules
- Complete all required coaching, first aid and safeguarding qualifications.
- Act in the best interests of and look after the property/equipment/grounds of Chadlington Football Club
- Attend three junior football meetings per year

Junior Football Team Admin / Secretary - Various

This role is optional for teams. A Team Admin or Secretary will assist the Team Manager in registrations and fixture coordination. This role has no coaching responsibilities.

Grounds Representative – Barry Mulhearn

This role will ensure that pitches are in a fit and safe condition on a weekly basis. This will include pitch repairs and grass cutting. This person shall be the point of contact for all questions over additional pitch usage and conditions.

The Grounds Representative will mark out pitches at the start of the season but it is the team managers who are responsible for on-going marking throughout the season.

8. Coaching Qualifications

Each year the FA requires football clubs to go through an accreditation process. This involves ensuring that the Club and teams have the correct set up, facilities and qualifications for Managers and Coaches.

Each team MUST have a manager or coach who has the following 4 criteria:

- **FA DBS Check**
Contact the Club Welfare Officer – Matt Dangerfield.
- **The FA Introduction to Coaching Football Course (online)**
Cost = £100.00
Duration = 4 weeks
<https://learn.englandfootball.com/courses/football/introduction-to-coaching-football>
(This runs over a longer time scale so enrolling ASAP is important).
- **FA Introduction to First Aid in Football Course (online)**
Cost = £30.00
Duration = 3 Hours
<https://learn.englandfootball.com/courses/medical/introduction-to-first-aid-in-football>
- **FA Safeguarding Children Course (online)**
Cost = £30.00
Duration = 2 Hours
<https://learn.englandfootball.com/courses/safeguarding/safeguarding-children-course>

Consideration needs to be given to what happens when that manager or coach is away from time to time and who fulfills these roles in this situation. Therefore, it is always advisable to have an assistant who is also trained and qualified.

The club will refund the cost of these courses – contact the Club Treasurer at chadlingtonsportclub@gmail.com with any requests for reimbursement.

9. Equipment

Each Team will require the following:

- Own set of appropriately sized footballs (marked with team name), a pump and ball net – this will be bought by the Club.

Team	Ball Size
Mini's / U6 Under 7 Under 8 Under 9	3
Under 10 Under 11 Under 12 Under 13 Under 14	4
Under 15 Under 16 Under 17 Under 18 Adult	5

- Set of bibs & cones – this will be bought by the Club.
- Medical / First Aid bag – this will be bought by the Club.
- Samba goals (U7 and Standard) – Shared. Provided by the Club or
- Metal goals (U12 upwards) – Shared. Provided by the Club
- A respect barrier and corner flags – Shared. Provided by the Club
- Optional foldable bench (especially for younger age groups)

We suggest that individual team equipment such as balls, bibs and cones are kept in possession of each Manager and not left in the junior football store where items can be unintentionally used or moved by others.

The junior football store should be kept tidy and all samba goals stored in the labelled bags provided.

The Club Treasurer will refund all reasonable expenditure for equipment.

Purchases should always be pre-approved and from cost effective suppliers.

10. Pitch Care & Maintenance

The pitches are maintained by the Grounds Representative. Priority will always be to have the best possible grass pitches which are available for the maximum number of weeks per season. To ensure this is possible the rules below must be adhered to. Note that some dates may change to seasonal weather or scheduled maintenance tasks.

- **Closed Season** - Pitches are closed from mid May until end of July each year for annual maintenance. There shall be no use of the pitches during this period unless expressly granted by the Grounds Representative.
- **Pre-Season Training** – this shall be allowed on the pitches from 1st Aug to mid Sept unless specifically agreed with the Grounds Representative.
- **Pitch Use** - From 1st November to 28th February no back to back home fixtures are permitted. Reversing fixtures (if opposition pitches are not playable) shall not be permitted during this period. The reasons for this are to reduce the stress on the surfaces and to help keep them usable all through the season.
- **Fixtures** - It's recommended to review the fixtures when released in August to see if there any weeks of pitch clashes with other age groups. This allows the league to amend fixtures early as a preventative action.
- **Allocation** - Teams must only play or train on their own allotted pitch. Warm ups should be done off the pitch if possible and the use of goal mouths avoided.
- **Safety of Pitch** - It is the responsibility for each team manager to ensure that prior to training or games, that pitch is safe and fit to use. For example, the field is open to the public including dog walkers. Teams should check for litter and dispose of it accordingly.
- **Pitch Conditions** - Should managers be in any doubt over the use of a pitch or whether it is fit to play on they should contact the Sports Club Grounds representative. This applies to periods of inclement weather or period of low temperatures.
- **Goals** - ensure all goals are chained and locked after games. Do not leave chains and padlocks on the ground as these can be lost and will damage mowing equipment. Chains and padlocks should be placed on the back of the goals during games so that they are safe and secure.
- **Respect Barriers** – Spectators should be positioned down one touchline behind a respect barrier. Managers and substitutes should stand on the opposite touchline. No spectators are permitted to stand behind goals.
- **Line Marking** – At the start of the season this will be done by the Grounds Representative. On-going marking is the responsibility of the team manager prior to a game. The line marker is located in the maintenance shed. Some pitches are shared and those managers should rotate this responsibility. Generally, pitches will need to be marked on a 7 to 10 day basis and equipment must be left in a clean and tidy state for others to use. If you have any issues or require additional line marking fluid (to be provided by the Sports Club), please contact the Grounds Representative.
- **Grass Cutting** – this will be done by the club groundsman on a periodic basis depending on time of year and grass length.

11. Pitch Allocation

Each team is allocated a pitch for the respective age group. Some age groups may be sharing this with others. See table below.

Pitch Reference	Pitch Name	Age Group		
		1	2	3
Pitch 1	Minis	Minis / U6		
Pitch 2	Cricket Square	U7		
Pitch 3	West End	U7	U8	
Pitch 4	East End	U9a	U9b	
Pitch 5	The Wall	U10		
Pitch 6	Lower Centenary	U11		
Pitch 7	Upper Centenary	U12	U13	U14
Pitch 8	Main Pitch	U15	U16	Adult x 2

Notes:

- All Pitches – **Ensure that players and visitors do not interfere with the dry stone walls. Stone removal can cause structural issues and damage to mowing equipment.**
- Pitch 6 and 7 – **Do not attempt to retrieve balls that go into the neighbours property (trespass). These will be returned by the neighbour periodically to the club.**
- Under 17s or U18s shall make use of alternative locations such as Kingham or Enstone.

12. Match Days

We suggest using SPOND app for parent communication and managing matches

Pre-game

- Fixtures can be found on FA Full Time website
- If a Home fixture, contact the Away Manager on Monday to agree timings, kit colours, etc (contact details emailed to you by the FA on a Monday morning)
- If an Away fixture and you haven't heard by Tuesday pm -check in with the Home manager
- Update Spond to:
 1. Create fixture (incl. opposition, timing, venue)
 2. Sort referee (or helper depending on age group or if referee allocated)
 3. Request car park helper (if your turn – this will be notified by Club Junior Secretary)
 4. Advise opposition on Chad car parking details
- Mark out the pitch

Gameday

- Set the pitch up on match day
 1. Helpful guide for assembling the goals
https://www.sambasports.co.uk/files/pdf/goals_ins/12x6_match_goal.pdf
 2. Respect barrier needs to be put out for spectators
 3. Corner flags (age groups applicable)
- If playing on Pitch 7 (upper centenary) – please ensure goals are locked up and left on the side of the pitch (as found)
- If playing on Pitch 8 (main pitch) – please ensure goals are locked up and left in middle of the centre circle (or as found)
- Ensure all goals/equipment put away properly
- **Lock up sheds and last person who leaves ensure sheds and outside toilet locked**
- U11 age groups onwards –
 1. The FA will text you asking you to text back submitting the headline score (e.g., 1-4) – this needs to be done on the day of the game or the club get a fine
 2. You also need to keep a written note of the following so that you can update the website (per the notes on “post-gameday”)

Post-game

By Tuesday you need to have updated the FA Full Time website or incur fine. The following needs to be provided:

- Respect scores for referee, opposition etc
- Pitch quality
- Team lineup
- Who scored (and when)
- Who was captain
- Who was POTM

13. Keys

Contact the Grounds Representative for all keys and pass any returned keys back when no longer required.

Each coach should have keys which enable access to:

- **Padlocks for goals** – for use of pitches 7 & 8 only
- **Junior Football Store** – this contains the samba goals, respect barriers and corner flags. It is a blue metal roller shutter door.
- **Line marking store** – this contains the line marker and marking fluid. Note this is the same key as for the football store. It is a blue roller shutter door.
- **Outside Toilet** – located at the end of the changing pavilion.

It is a Team Managers responsibility to ensure that goals, stores and the toilet is locked after use.

If other teams are using these then the last team manager to leave needs to ensure that this is done.

14. Car Parking

The club has only a limited capacity for car parking on match days. This facility is also shared with the Chadlington Memorial Hall and from time to time they may also be using it.

It is the team managers responsibility to encourage car sharing to the game as much as possible and where it is safe to do so. The Team Manager should also advise their opposition of the parking situation and provide them with the map (below) which is available on the club website.

Car parking duty is organised weekly by the nominated home team on a rotational basis (Junior Secretary responsibility to nominate). That duty holder should ensure as far as possible that cars are parked safe and efficiently.

Once the car park is full then users are to be directed to Church Road to avoid problems on the road outside the Club

Those parking in the public highway should be encouraged not to block access routes to the club and neighbours, and to not block the road which is used by HGVs, buses and more importantly emergency vehicles. Use traffic cones as required.

15. Memberships & Registration

- The Club Treasurer will set the annual membership fees and in April each year distribute in the Club Membership web-form.
- Managers share this web-form with parents who are to submit all information required for player registrations and membership payments.
- **If the form is not complete, or payment has not been made, then the player will not be registered with the FA and the player cannot play in league matches**
- The Club Treasurer will advise the Junior Secretary and coaches on all player registrations once membership fees confirmed as paid.
- The FA require a minimum number of players registered (the number in a match day starting line-up for your age group) **by the end of July** in order for the team to be registered in the league.
- Full annual fees payable in joining team up to 31st December, 50% payable if joining from 1st January.
- No player registrations after 31st March are permitted.
- Coaches to speak to Club Treasurer if membership fees need to be waived/reduced for special circumstances.
- Any membership refunds are at the discretion of the Club Treasurer.
- The Club Membership fee includes (but is not limited to) the suitable purchase of equipment, training facilities, pitch maintenance, annual pitch repairs, referee fees, coaches training courses, league/cup fees, awards trophies, all FA membership fees etc for each team. It does not cover the cost of playing kits or clothing which is to be funded by the team securing sponsorship or gifts.

16. Leagues & Cups

Each season the Club Secretary and Registrations Secretary will register the teams with the Oxfordshire Football Association and with the respective league.

Generally all teams will be entering into the Witney & District Youth Football League.

However, at age groups from Under 17 onwards this changes to the Oxfordshire Youth Football League.

Each Team is also entered into League Cups and County Cups (if applicable at that age group).

Should a Team not wish to enter a respective Cup competition then this should be notified to the Junior Football Secretary in August each season.

[Witney & District Youth Football League](#)
[\(WDYFL\)](#)

The league operates an app containing all key and useful information (including league rules)

<https://apps.apple.com/us/app/witney-district-youth-fl/id1144832842>

[Oxfordshire Youth Football League](#)
[\(OYFL\)](#)

The league operates a website containing all key and useful information including league rules.

<https://www.oyfl.co.uk/>

17. Discipline and Fines

Discipline Fines

It is expected that all Managers, Coaches, Players, Parents / Guardians and spectators behave in an appropriate manner at football games and adhere to the Laws of the Game and the FA Respect guidelines.

All cases of discipline are dealt with by the Oxfordshire Football Association using the FA Club Portal.

Should a Player, Manager or Coach receive a caution or dismissal from the match referee then this will attract a fine levied upon the Club. Yellow cards are usually set at £12.00 and Red Cards at £35.00. Although this may vary depending on the nature of the infringement.

Any such fine received will be expected to be paid by the Player (parent or guardian), Manager or Coach direct to the Club.

This does not affect the ability to appeal in line with league and OFA rules. However such appeals are to be made direct and may attract further fees.

The Sports Club Secretary is responsible for the administration of discipline fines, and the Team Manager will be notified of such an event via an email from chadlingtonfc@gmail.com.

This email will detail the fine, the reason and the payment methods. Should a fine not be cleared within 14 days then that player shall be suspended from all football at the Club at the discretion of the Club Secretary.

Recovery of funds may then be dealt with via the FA Debt Recovery system if appropriate.

Administration Fines

The Witney & District Youth Football League and Oxfordshire Youth Football League also operate a fines policy for administrative matters. This can relate to playing illegible players or failing to report cancellations or match details / results.

- Team Managers and Secretaries must follow all league rules to avoid incurring fines.
- All fines received are at the discretionary of the Club Treasurer and Club Secretary as to who is responsible for repayment.
- Please review rules to understand what fines are applicable to your age group.
- Any fines for human error or genuine mistake will be covered by the Club
- Any fines for persistent errors incurring recurrent fines will be expected to be covered by the Team Manager / Coach or Team Secretary.
- Any fines for playing an ineligible player will be the responsibility of the Team Manager / Coach or Team Secretary - there are no excuses for this, the rules are known and player registration is defined.
- Fines expected to be paid within 14 days of event.

18. Accidents & Emergencies

Each team shall have a manager / coach or secretary that has completed the FA Introduction to First Aid course as a minimum.

The Club has an accidents and emergency policy which is displayed within the Sports Club, Changing Room and available on the website as follows:

https://www.chadlingtonsportsclub.co.uk/files/ugd/d78e5d_e7f22d8ccc764bb1b38c892516ae7383.pdf

19. Kits & Clothing

Playing Kits

The club operates a branding policy. All Junior football teams are required to play in club kit colours of white shirts, royal blue shorts and royal blue socks. These kits are to be supplied by the designated kit supplier, Wreal Sports. The reasons for this is to maintain the club identity, to avoid disparity between age groups and to reduce kit costs each season.

Shirts will have the official club badge embroidered or printed, a number on the rear of the shirt and may also have an appropriate sponsor to front and/or rear.

Should you play a side in the same colours aka 'a kit clash', then it is the responsibility of the home side to resolve. As we play in white shirts, it is a rare occurrence. However, if this does take place then it can be resolved by wearing bibs. Therefore, it is always a good idea to check with your opposition in advance of the game and to have bibs on hand and ready.

Ordering Kits

Step 1 = Secure funding for a new kit from a sponsor, gift or parent funding. Provide contact details to the Club Treasurer who will raise an appropriate invoice or provide payment details.

Step 2 = Download an order form from the club website which contains a size guide.

Step 3 = Determine quantities of kits and sizes required and fill out the order form. It is recommended oversizing to allow kits to last circa two seasons.

Step 4 = Submit the order form to chadlingtonfc@gmail.com who will check the order before sending to Wreal Sports. The manager will be copied into this order so that they can track the status. No kit order will be made until funding has been received by the Club.

Step 5 = Once the order is complete, the Manager will be notified that it is ready to collect from Wreal Sports. It is recommended that you allow 4-6wks lead time for new kit before start of the season. Therefore teams should order kits by mid July for an early September season start.

Note that if a player leaves the team their kit should be returned and used for new players in the squad. The kit remains the property of Chadlington Football Club.

Other Equipment – Balls, Cones, Bibs, First Aid.

The club will purchase all teams with suitable equipment each season. However, it is expected that Teams will look after that equipment and if in good repair, use for the following season or pass on to another team.

Should a Team require additional equipment during the season, approval should be given by the Club Treasurer. All purchases wherever possible go via the club supplier, Wreal Sports. Email: info@wrealsports.co.uk Phone: 01451 822823

Funding Kits & Equipment

Playing kit is not funded via the annual membership fees and so, coaches need to source funding for each age groups kit. This can be done via appropriate sponsorship, gifts, or a parents funding individually. Additional equipment can also be funded by this route.

The Estimated cost per player of a kit (branded shirt, shorts and socks) is approximately = £40.00. Therefore, for a squad of 16 the cost is around £650.00.

If an age group is struggling to find suitable sponsorship, then the club can advertise within the wider club community.

Clothing

The Club also offers an online club shop where teams or individuals can purchase additional items at their own cost. This includes additional shirts, shorts or socks, jumpers, jackets, base layers and kit bags.

This shop is discounted and items can be customized to suit with initials or names.

The online club shop is managed and operated through the official club supplier and payments, deliveries, errors and returns are solely their responsibility to handle. The Club takes no responsibility for such orders.

20. Training

Training is permitted on Chadlington pitches 1st August to Mid September (when it gets dark) and from April to Mid May (when pitches closed for maintenance).

Kingham Hill School

Kingham Hill School is booked on Wednesday Evenings 7.00 to 8.15 (three training slots) and Thursday evenings (6pm to 8.30pm) from mid-September until end of April creating six training slots – 6.00 to 7.15 (three teams) & 7.15 to 8.30 (three Teams).

Adult football and oldest age group take the 7.15 to 8.30 slot. This is designed to create pathway integration from U16-U18 teams into the Adult Teams (opportunity to train with adult teams etc)

Kingham Hill School Rules:

- No studs are to be worn.
- Hockey goals not to be used.
- Appropriate and considerate parking at the school is essential.
- The users of the last slots are asked to turn the lights off when leaving (light switches found by the gate in a box).

Remaining Wednesday & Thursday KHS slots will be agreed by Junior Football Chair, with the aim of them being used by the older age groups.

Wychwood School

All other training requirements will be via Wychwood School (code 2512)
- no specific slots booked.

Allocations

Coaches to contact Junior Football Chair & Treasurer to discuss slot allocation:

Indicative schedule below:

Age Group	Training Location	Day	Time Slot
Minis	Chadlington	Saturday	Morning
U7	Wychwood School	TBC	TBC
U8	Wychwood School	TBC	TBC
U8 Lions	Wychwood School	TBC	TBC
U9	Wychwood School	TBC	TBC
U10	Kingham Hill School	Wednesday	7pm – 8.15pm
U11	Kingham Hill School	Wednesday	7pm – 8.15pm
U12	Kingham Hill School	Wednesday	7pm – 8.15pm
U13	Kingham Hill School	Thursday	6pm – 7.15pm
U14	Kingham Hill School	Thursday	6pm – 7.15pm
U15	Kingham Hill School	Thursday	6pm – 7.15pm
U16	Kingham Hill School	Thursday	7.15pm to 8.30pm
U18	Kingham Hill School	Thursday	7.15pm to 8.30pm
Adult	Kingham Hill School	Thursday	7.15pm to 8.30pm

21. Match Officials

The Witney & District Youth Football League, The Oxfordshire Youth Football League and The Oxfordshire Football Association (for County Cups) will allocate referees to fixtures where applicable for the age groups.

This will be notified to the Team Manager or Team Secretary via email from the FA Full Time system.

It is the responsibility of the home Team Manager to pay the referee the suitable Fee on the day of the match.

This fee will be reimbursed by the Club. Application for reimbursement should be made to the Club Treasurer via email to chadlingtonsportsclub@gmail.com.

Should a referee not be appointed to a game, or the appointed official not attend then it is the responsibility for both sides to agree a suitable official. Generally it is the home sides responsibility to find cover. If there is failure to agree an official and the game does not take place as a result, this will attract a fine.

A Team Manager should always confirm a referees appointment as early as possible in the week and provide suitable contact information.

If applicable to the age group then a home team linesman will also be required. This role will not attract a reimbursable fee and it is encouraged that a coach or parent provides this role on a volunteer basis.

22. End of Season Awards

This takes place annually in the middle of May (normally FA Cup Final Day).

It is a Club day involving all age groups. Families and friends are invited to attend.

Small games (normally mixing up age groups – i.e U7 & U8, U9 & U10 etc) may be organised. This is followed by player awards.

The Village Hall and Sports Club bar will be open, along with food vans and other activities provided.

It is the responsibility of the Junior Committee to organise this event, including the purchase of trophies and bookings for activities.

Each Teams will have three awards to present to their players.

1. Players' Player of the Season
2. Managers Player of the Season
3. Supporters' Player of the Season or Most Improved Player (coach decision which one)

Age groups up to and including U11 only also receive small medal for each player.
